

## Pagbabago (Change) by Alyzza Cipriaso

Back when I was *maliit*  
Only the sky was my limit  
*Yung araw* shined bright  
And my imagination grew at night

In the mornings *kita kong tatay ko*  
He worked all day until the sun was low  
*Nunood ko Lang* sya and just sat there all day  
While he worked and pushed all his cares away  
*Pero gusto ko mag pababago*

*Ngayon* I have grown  
*Nagising ko ng maaga* long before the sun is shown  
*Magdasal ako* as I get up  
And read His word to lift Him up  
I practice this every day  
To better myself and go the right way  
But I still want to change
